ENGINEERING DEPARTMENT.

BUREAU OF SANITARY ENGINEERING, BANGALORE.

Notification dated 16th July 1937.

Notice is hereby given that sealed tenders will be received at the Office of the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore, up to 1 P.M. on 17th August 1937, for constructing a pump house for water supply at Hassan Town. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of September 1937.

2. The plans, detailed estimate and conditions may be seen at the Sanitary Engineer's Office between the hours of 11 A.M. and 5 P.M. on all office days.

3. Tenders should be submitted on printed forms which may be obtained from the Sanitary Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 150 in cash (no cheques will be accepted) as earnest money, and be superscribed "Tender for constructing a pump house for water supply at Hassan Town," in default of which, the tenders will be rejected.

5. The final acceptance of the tender will rest with the Sanitary Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the Notice Board in the Sanitary Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Charges on account of scaffolding materials, implements for setting out, barricading, clearing site, supply of water, etc., that may be found necessary during execution will not be paid for separately but should be borne by the contractor.

10. Rates for non-tendered and non-estimated items shall be as per schedule rates of the Department or those fixed by the Sanitary Engineer after working out data with not more than 10 per cent for contractor's profit.

11. In all matters not specifically provided for and in all matters of disputes about rates, quantities, measurements, quality of works, etc., and in all disputes of any kind, the decision of the Sanitary Engineer will be final and legally binding.

N. KRISHNIENGAR,
Sanitary Engineer.

BUILDINGS DIVISION, BANGALORE.

Abstract Notification.

The attention of the public is hereby invited to the detailed notification calling for tenders for the construction of Quarters for the Superintendent, Serum Institute, Bangalore, published in pages 1188-1190, Part VI of the *Mysore Gazette*, dated 22nd July 1937.

The last date for the receipt of the tender is 31st July 1937.

Notification dated 26th July 1937.

Notice is hereby given that sealed tenders will be received up to 3 P.M., of 17th August 1937 at the Office of the Executive Engineer, Buildings Division, Bangalore, for "Running a Hindu Restaurant in the Extended Tiffin Rooms attached to Life Insurance Office near the New Band Stand in Cubbon Park, Bangalore," for one year from 1st September 1937.

2. The period may be extended to three years at the discretion of Government on the basis of satisfaction being given by the Lessee.

3. Tenders should be accompanied by an earnest money of Rs. 200 (Two hundred only) in cash and should be superscribed "Tenders for running a Hindu Restaurant in the Extended Tiffin Rooms of Life Insurance Office near the New Band Stand in Cubbon Park, Bangalore."

4. The monthly rate of rent offered should be written both in words and figures and the same shall be paid always in advance before the 5th of each month.

5. No delay in payment of rent will be countenanced. Default in payment will involve cancellation of contract and forfeiture of earnest money deposit.

6. No alterations shall be effected in the building without obtaining permission of proper authority beforehand. The club and its surroundings shall be kept neat and tidy. The proprietor shall be responsible for all the electrical and other fittings in the building.

7. He will provide his own stock of decent furniture, pay his own light, electric, water and sanitary cess bills, etc.

8. The right of running the club shall not be transferred.

9. The acceptance of tender rests with the Superintending Engineer, Mysore Circle, who will have the power to reject or accept any tender without assigning reasons. His order will be final and legally binding on all tenderers.

10. The name of the successful tenderer will be put on the Notice Board by the third week of September 1937 and the earnest money of the unsuccessful tenderers will be returned on application.

11. Needful provision will be made in the kitchen for drawing electric power. Electric cooking ranges should be installed by the tenderer. There is an ordinary chimney erected also for ordinary ovens. Tenderer is to put the necessary platforms and lead the smoke to chimney. The building shall not be used for dwelling purposes.

12. The proprietor will employ properly clothed and trained attendants. At least one head server having experience in the Restaurants run on western lines to keep everything neat and tidy will have to be employed ; the equipment of furniture, etc., will be on lines approved by Government. Installing a radio set is also necessary.

13. For further particulars the Executive Engineer will be glad to furnish any information that may be required by the intending tenderers.

B. R. GARUDACHAR,
Executive Engineer.
